The most recognized impact glove in the O&G industry

Impact

Abrasion Protection

Cut

Heavy Duty

# The original heavy duty impact glove that's protected our toughest workers for over 10 years.

- The Ringers® 267 Heavy Duty Impact glove with a silicon dot palm provides excellent protection against impact hazards with enhanced grip that resists oil, making it the go-to glove in the Oil & Gas industry.
- Developed with Ringers' F3 Technology™ and patented TPR design for superior dexterity and comfort.
- Includes high visibility and extended airprene wrist closure for added safety and security.

### Industries

- Manufacturing
- Oil and gas

### Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Hydraulic repair
- Re-fuel oil fluid and diesel

# R-267
