

TECHNICAL DATA SHEET

Arco® ST910 Black S1P Safety Boot C/W Orthosole

Product Code: 639500

New, lightweight breathable, safety footwear incorporating Orthosole insoles. This new boot & shoe is supplied with a customer fitted Orthosole and also the interchangeable arch pads within the box to ensure wearer comfort. The interchangeable support pads help to align your foot and body correctly while offering support for pronation.

- Leather and mesh upper is flexible and breathable.
- Composite toecap and midsole ensures that the product is lightweight.
- Orthosole insole supplied as standard.
- Agion antimicrobial fabric treatment of the insole helps to prevent bacterial build-up, keeping each foot feeling fresh.
- Anti-static.

200 joule EN ISO 20345.
